Reports from Every State

All Agree that Lydia E. Pinkham's Vegetable Compound Wonderfully Relieves Woman's Suffering.

From all parts of this country the clearest evidence is constantly coming to the office of the Lydia E. Pinkham Medicine Co. of Lynn, Mass., proving the wonderful power shown by Lydia E. Pinkham's Vegetable Compound in controlling ills peculiar to women. Here are letters from Vermont, Arkansas and New Jersey:

It Cured Me!

Roxbury, Vt.—"A year ago last December I was taken with a female trouble and doctored for it but did not get any help until I took Lydia E. Pinkham's Vegetable Compound. My back troubled me a good deal and these troubles lasted so long that I grew terribly poor and I felt a great deal easier lying down. No one knows what I suffered. I did not dare consult another doctor I was so afraid he would say I had got to have an operation. I can truly say that Lydia E. Pinkham's Vegetable Compound was a god-send to me for after suffering about eight months this wonderful medicine cured me."—Mrs. NELLIE E. FRENCH.

Her Best Friend.

Weehawken, N. J.—"I must call you my best friend for what your remedies have done for me. I am 50, and am passing through the Change of Life and for some time I felt bad but since I took Lydia E. Pinkham's Vegetable Compound I feel fine and will recommend it to every woman who suffers as I did."—Mrs. KATHIE LEONARD, 419 7th St., Weehawken, N. J.

Had Awful Pains in Side.

Branch, Ark.—"Every month I suffered with cramping pains and I had awful pains in my left side. I was very irregular. I had a tired feeling all the time and did not sleep good at night. I took Lydia E. Pinkham's Vegetable Compound and in three months I was well."—Mrs. MAE GATTIS, Branch, Ark.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
